Well this one is second multistarer of RC. Good comic & great action sequences, the 3-4 pages promotional ads are an unique & good idea.

Artwork is just superb.

This is an action-packed comic. But only one drawback it contains all superheroes of RC but can't justify with all of them.

Jaljalaa is good comic. The main problem I had with this issue was that its mainly fight, fight and fight. This was a action issue, but its not for everyone. If your looking for some emotions, drama, and thought. avoid it. If your looking for more multi star hangama, then buy this.

This is the comics where Bhramand KE Rakshak was established. the story line is good but I personally feel that almost all the fights were too big n extended. but the one fight which was good enough was Nagraj VS Mahamanav where they both were using their mansik Shakti.
